

CBRMC

CERTIFIED BUSINESS RISK MANAGEMENT CONSULTANT

Introduction

This program is a certification program of the Institute of Certified Business Consultants and is accredited by the Northern Advisory Council for Further Education (NCFE).

The importance of risk management can hardly be overstated. Awareness of risk has increased as we currently live in a less stable economic and political environment. The purpose of this risk management training course is to provide managers with a solid understanding of business risk and how to manage it.

This risk management course looks at risk from different perspectives and analyses the possibilities for managing it in each situation. It focuses primarily on operational, project, and reputation risk management.

The course has been designed to provide learners with a solid understanding of business risk and explains the strategies for managing risk efficiently. The course focuses primarily on operational, project and reputation risk management.
